About the Downtown Center Business Improvement District (DCBID):

The DCBID is a coalition of property owners united in their commitment to enhance the quality of life in Downtown Los Angeles. The organization helps the 65-block central business district achieve its full potential as a great place to live, work and play. Owners of more than 2,200 parcels provide funds to the district via a special voluntary tax assessment, which finances safety and maintenance services, as well as business recruitment / retention and marketing programs.
